This will also be a great time to meet our new employees who will provide you with the professional and friendly member service that you expect and deserve at your credit union. We wish you both restful retirements and will miss you, Laurel and Toni.

How healthy are your finances?

In these days of financial uncertainty it is vital to have an expert in your corner who possesses the correct experience and tools. David Ross, CLTC, works with McClatchy members to ensure that their money works just as hard as they do. As a credit union member you are entitled to a complimentary review where David will provide a custom analysis of your family's financial situation. David can be reached at (415) 743-1013 or via e-mail at dbross@finsvcs.com.

Staycation savings!

Everyone is trying to save money these days and your credit union is here to help. Even as prices continue to climb we still have movie tickets for as low as \$6.00 per adult admission. These tickets make wonderful gifts and do not have expiration dates.

We're having a party!

Each October we join with credit unions world wide and celebrate our valued members during International Credit Union Day. Please join us for refreshments in Fresno on Tuesday, October 13th, and in Sacramento on Thursday, October 15th. We look forward to seeing you.
