Celebrating 75 years of service!

For three-quarters of a century McClatchy Employees Credit Union has been your best source for savings, loans, and the exceptional service that you have come to expect. We are so grateful to you, our members, for your support. Throughout the year we will be celebrating this milestone achievement and invite you to join us. We hope you will think of your credit union first whenever you are considering a loan or have a few extra dollars to deposit. Thank you for your membership and we look forward to serving you for many years to come.

Get behind the wheel of a winning deal!

McClatchy Employees Credit Union has always been the best place to finance your new car. Our current rate for new vehicle financing is an amazing 4.79% APR. If a used car fits your budget better, the rate is the same—just 4.79%. Give us a call today and let us show you how we can help you save money through our partners Autoland, IFMA, and Enterprise. Be sure to ask us about our special extended warranty and GAP programs. They offer all the assurance of the higher-priced policies sold at dealers but with savings of up to 70%. We encourage you to take advantage of our experienced staff and to contact us before you begin to shop. We'll make it easy for you. If you need a smaller loan to cover the costs of a needed repair we can help you with that too. Our tax loans are available for up to \$3,500 and offer a low, low rate of just 7.50% APR.

McClatchy Employees Credit Union will be closed on Monday, January 18 for Martin Luther King's Birthday, and Monday, February 15 for President's Day. Please contact us early if you will need any services around these holidays.

2009 share dividend is 2.00%!

We are pleased to announce that your share dividend for 2009 will be 2.00% APY. This dividend will be applied to your shares on January 1, 2010. As always, your credit union offers an extremely competitive rate on your deposits, which are insured for at least \$250,000 by the NCUA, an agency of the United States government.

Movies at a discount

Why pay full price to go to the movies when you can pick up discounted tickets from your credit union? Admissions to Regal theaters are just \$6.75. These tickets are good both in the afternoon and evening and can be used for almost all movies. Grab some today and save both time and money. They also make great gifts for Christmas, birthdays, and as a special "thank you" for a job well done. Stop by or give us a call and we'll see you at the movies!
